**2024**

# GOOD OLD HEROES

Genre: TBS

Expected: 2025

Good Old Heroes is a PC turn-based strategy in fantasy setting inspired by brilliants of the genre such as Heroes of Might and Magic, Disciples, Age of Wonders and King's Bounty.

This game combines classical time-tested core-gameplay and innovative meta game, actual social features and multiplayer.

PC IN DEV

# Medieval Strategy

Genre: grand strategy

Expected: 2024

It is a mobile f2p turn-based strategy in a medieval setting.

Users can choose one from a few dozens of available countries, each of them has its own pack of units, unique national talents, country leaders and passive abilities.

Players are able to lead their nations through ages from IX to XVI centuries and build the most powerful civilization on the globe.

IN DEV

Genre: **rogue-like rpg**

Expected: **2024**

This RPG game has the same lore, setting, heroes, and world history as Heroes of War Magic game.

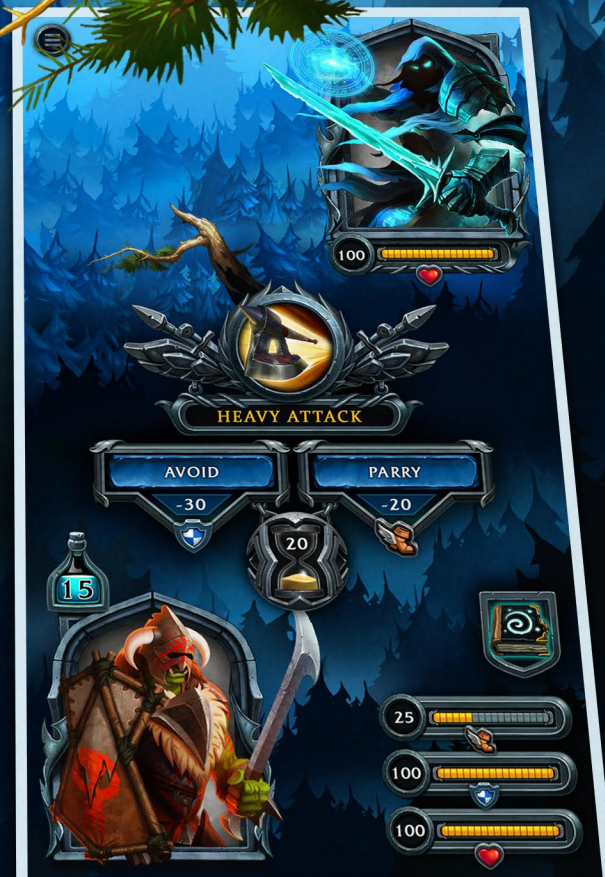

Players explore a fantasy world, fight in auto-generated dungeons, unlock new heroes, and upgrade them.

The gameplay is endless and the main goal of the players is the collecting of heroes.

The battle system is simple and casual - a player performs an attack and then decides how to deal with an opponent's attack. Each enemy attack decreases one of the parameters of a player's hero, so a player has to make sure that none of the parameters falls to zero.

Each completed dungeon brings resources that could be spent on heroes' upgrades.

# QUEST HEROES of WAR MAGIC

**Genre:** indirect control RTS  
tower defence  
city builder

**Expected:** 2024

It is a mix of indirect control RTS inspired by well-known masterpiece Majesty and innovative tower-defence game.

The goal of the game is to develop your own tiny kingdom, protect it from evil enemies and solve all the default problems of an ordinary fantasy ruler like: how to get more money from peasants, what to do with the plague and hunger and how to slay The Dragon.

# Fantasy Sim

Genre: grand strategy

# WW2 STRATEGY AND TACTICS 2

This game is a mobile free-to-play turn-based strategy in the setting of World War II with the addition of elements of alternative history.

Leading one of the countries, players will fight in the Second World War. They will be able to join one of the political blocks of the era or fight on their own.

The difference in the gameplay for different countries, a complex system of random and plot events, the unpredictability of AI actions are the basis of the project's replayability.

Genre: strategy, rpg

Heroes of War Magic is a hardcore mobile strategy game with turn-based gameplay that takes place in a huge fantasy world. Players that love deep gameplay can find here tactical battles in the style of old-school PC wargames.

Heroes of War Magic is also a role-playing game. It offers all the main RPG features: players can choose a path of level-up upgrades for heroes, combine them into squads, equip them with enchanted weapons, armor, and artifacts.

### Game Features:

- SOPHISTICATED COMBAT SYSTEM
- DOZENS OF HEROES
- RPG CORE: 4 races, 5 different roles
- PVP and PVE MODES
- HUNDREDS OF LEVELS

# HEROES of WAR MAGIC

Genre: text quest  
spaceship simulator  
survival

# GENESIS: HUMAN DESTINY

Genesis: Human Destiny is a space saga about the eternal search, phantom hope, and new menace. Faced with an invincible enemy, humanity sends more and more spacecrafts to foreign galaxies outside the Solar System, trying to stop the approach of inevitable Armageddon.

Genesis offers a combination of genres that magnetize like a black hole: text quest, spaceship simulator, survival, adventure, and rogue-like RPG.

Players solve a hundred urgent problems and riddles: how to catch the One who got out of the Xenobiologist's body? What does the phrase in 327 human languages received from space mean? How to identify an android among human beings? Why do engines go dead after meeting with the Flying Dutchman? Can space vampires really cause blindness?

**STRATEGY  
PARK**

## About Strategy Park:

Strategy Park is an indie developer of midcore games for mobile and PC. The studio united true fans of the gamedev that have made games for more than 10 years. We live in different cities and countries and believe there are no borders and limits for the creators. We are glad to invite professionals from all over the world to join our team.

Our goal is to create deep and skill-based games with innovative and experimental gameplay.
